

Guy Adapter

Guy Adapters for 1-1/2" RCS shaft helical anchors (Patent Pending)

New one-piece double and triple eye guy adapter for 1-1/2" RCS and 1-1/4" round helical power shaft screw anchors with the 1-1/2" RCS square upset.

The cast guy adapters incorporate an integral lifting eye. The guy tensioning device (come-a-long) is attached directly to the lifting eye eliminating the need for an extra adapter. The lifting eye is rated at 12,000 lbs. ultimate. The guy adapter is rated at 70,000 lbs. ultimate.
